Australian Register of Therapeutic Goods Certificate

Issued to

Diversey Australia Pty Ltd

for approval to supply

Diversey Australia Pty Limited - Oxivir Tb, Hospital Grade Disinfectant with claims, Non-Sterile

ARTG Identifier 165058
ARTG Start date 8/09/2009
Product Category Other Therapeutic Good Registered
Intended Purpose Oxivir Tb is a one step disinfectant, cleaner and odour neutraliser. It requires no post use rinsing when used on non-food contact surfaces. It will clean and disinfect most surfaces found in health, educational and recreational environments. Oxivir Tb is highly effective against a wide variety of pathogenic microorganisms including bacteria, antibiotic resistant bacteria, viruses such as SARS-CoV-2 (COVID-19 virus) and fungi. Hard surface disinfectant only. Not to be used on skin. Not intended to be used on medical devices or other therapeutic goods.

Table with 7 columns: Container Type, Container Material, Container Condition, Container Closure, Shelf Life Time, Shelf Life Temperature, Shelf Life Conditions. Row 1: Not recorded, Not recorded, Not recorded, Not recorded, 36 Mont hs, Not recorded.

Product Specific Conditions

- Standard Conditions
For the hard surface disinfectants that are retained on the part of the ARTG for registered goods, you, as sponsor, are required to comply with the standard and specific conditions for registered goods in Appendix 4, Standard Conditions applying to Registered or Listed Therapeutic Goods Under Section 28 of the Therapeutic Goods Act 1989 of DR4 applied at the time of registration and is ongoing.
AUST R
Pursuant to Section 28(2B) of the Therapeutic Goods Act 1989, I have decided to impose "The listing number must be placed on the label of the device by writing the number, immediately preceded by "AUST R" so that it is clearly visible to the user on (i) the label of the device; or (ii) the label on the outermost level of packaging in which the device is to be supplied to the user
Acceptable data has been provided to support a 36 month shelf life.
This product is approved with an 18 month shelf life stored below 25 degree Celsius. Batches of product must be tested during and at the end of the closed shelf life period. End of shelf life period

testing must be generated from the most stringent test, in this case Mycobacterium.
